RE: Vacant Council Seat – WNC Community Member

Dear Winnetka Neighborhood Council,

I am interested in applying for one of the vacant community council seats to become a member of the Winnetka Neighborhood Council. As a resident of Winnetka for over ten years, I've become increasingly more active in order to help our community thrive. Each year, I've participated in the Valley Disaster Preparedness Fair as well as collaborate with local leaders to help strengthen our neighborhood watch.

I learned early on from family, teachers and peers, the significance of serving my community and the importance of helping others. In 2017, I helped form our neighborhood watch between Corbin & Winnetka and Sherman Way & Saticoy. Each year, our participation has grown, starting from 5 members in 2017 to currently over 60 members. We have seen growth in community participation, collaboration with our Senior Lead Officer and increased neighborhood communication. Additionally, at my place of work, Cedars-Sinai Medical Center, I co-chaired our Employee Engagement Committee for Advancement from 2017-2019 to help employees with Work-Life Balance, Activities & Recognition and to serve as a liaison between the hospital administration and employees.

If selected, I would be honored to serve as a WNC Community Board Member. I know the importance of active participation and am committed to attend regular board meetings and serve on one of the WNC Committees.

Thank you for your consideration,
