

FREE DISASTER PREPAREDNESS TRAINING IN WINNETKA

(ENGLISH)

Winnetka Neighborhood Council, Public Safety Committee

On most days, fire, medical, and other professional first responders
are only minutes away when you call 911.

**However, when an earthquake or other large-scale disaster strikes,
you and your neighbors become your community's first responders.**

The Los Angeles City Fire Department wants you to be prepared to safely help when they cannot. LAFD offers this free class to teach you the skills that could save not only your life but the life of someone in your family or neighborhood.
