

WINNETKA AVE. STREET IMPROVEMENTS

ENV-2018-6406-SE

Open House & Public Hearing

Hosted by the City of LA Department of Transportation (LADOT)

The Winnetka Ave. street improvements project proposes to close the gap in the bicycle network by extending existing bicycle lanes on Winnetka Ave. from Vanowen St. to Oxnard St. to connect to the LA River Greenway, Metro Orange Line busway and bike path, and Pierce College. The project aims to increase safety and improve mobility options for people accessing these destinations. Reorganizing the street by replacing existing peak-hour travel lanes with full-time parking and bike lanes would make the street more predictable, provide a buffer for pedestrians in the sidewalk, and can help calm speeds on this major arterial running through primarily residential areas. The proposed project may also include a new controlled crossing across Winnetka Avenue near the Los Angeles River to enhance access and safety for people who walk or bike.

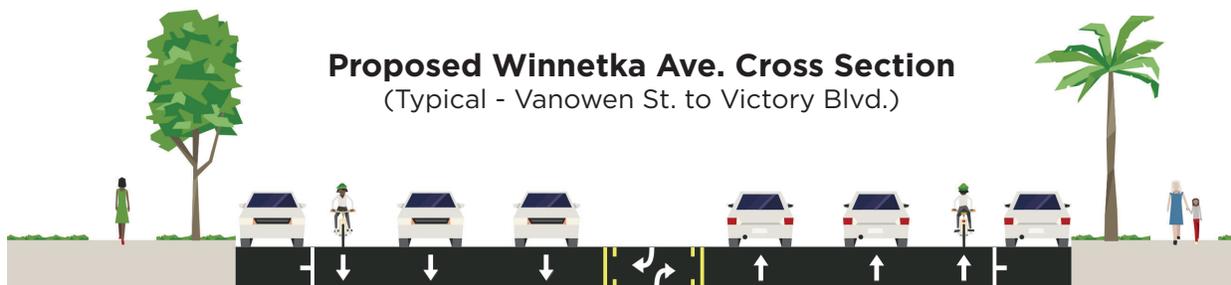

WHAT: Open house to share the proposed conceptual design and results of traffic impact analysis. A Hearing Officer will be present to take oral and written comments.

WHO: Event is open to the public. City staff will be there to answer questions.

WHEN: January 29, 2019
6:00 - 7:30 PM

WHERE: Council District Office
19040 Vanowen St.
Reseda, CA 91335

The District Office is accessible via Metro Bus line 165. Limited parking is also available on site.

Proposed Winnetka Ave. Cross Section
(Typical - Vanowen St. to Victory Blvd.)

Those unable to join are still encouraged to participate by viewing the materials at bike.lacity.org/blog after January 29th.

The comment period for this project closes on **February 3, 2019**

Upon request, Sign Language Interpreters, assistive listening devices, translation between English and other languages, and materials in alternative formats are available to the public for City-sponsored meetings and events. All requests for reasonable accommodations must be made at least three working days, or 72 hours, in advance of the event or meeting date. To request accommodations or translation services, or for any questions, please call 213-972-4997 or email lameese.chang@lacity.org.
